Simple Truth Retold: Be Inspired for 2014

Quotes from Jim Rohn

Take care of your body. It's the only place you have to live.

Time is more value than money. You can get more money, but you cannot get more time.

If you are not willing to risk the unusual, you will have to settle for the ordinary.

If you don't design your own life plan, chances are you'll fall into someone else's plan. And guess what they have planned for you? Not much.

Either you run the day or the day runs you.

You must take personal responsibility. You cannot change the circumstances, the seasons, or the wind, but you can change yourself. That is something you have charge of.

If you go to work on your goals, your goals will go to work on you. If you go to work on your plan, your plan will go to work on you. Whatever good things we build end up building us.

Don't wish it were easier, wish you were better.

Formal education will make you a living; self-education will make you a fortune.

We must all suffer one of two things: the pain of discipline or the pain of regret or disappointment.

Take advantage of every opportunity to practice your communication skills so that when important occasions arise, you will have the gift, the style, the sharpness, the clarity, and the emotions to affect other people.

A good objective of leadership is to help those who are doing poorly to do well and to help those who are doing well to do even better.

Happy New Year!
